West Sussex County Council (WSCC) complies with the Data Protection legislation including the Data Protection Act 1998 and any replacement legislation coming into effect from time to time and the General Data Protection Regulations (EU) 2016/679 and ensures that your personal data is processed fairly, kept safe and secure and retained for no longer than is necessary. During the processing of this application, it may be necessary for WSCC to disclose information contained in this form to others, which may include other local authorities, the Planning Inspectorate (Secretary of State) landowners and occupiers and members of the public. It is possible that a Public Local Inquiry may be necessary if either objections are submitted in relation to an Order made by WSCC or if WSCC refuses to make an Order but is then directed to do so by the Secretary of State on appeal. The applicant is expected to be the main party at any Public Local Inquiry, to appear and put the

case for the Order to an Inspector at a Public Local Inquiry, which is open to the public. The other parties to a Public Local Inquiry will normally be WSCC, as Order Making Authority, and those opposed to the Order. Each party will be given an opportunity to speak and put their case to the Inspector. It is therefore important that you understand that you may be requested to attend the Public Local Inquiry as applicant and so that your written evidence either in support or against the claimed route can be verbally tested.
