and the General Data Protection Regulations (EU) 2016/679 and ensures that your personal data is processed fairly, kept safe and secure and retained for no longer than is necessary. During the processing of this application, it may be necessary for WSCC to disclose information contained in this form to others, which may include other local authorities, the Planning Inspectorate (Secretary of State) landowners and occupiers and members of the public. The applicant is expected to be the main party at any Public Local Inquiry, to appear and put the case for the Order to an Inspector at a Public Local Inquiry, which is open to the public.
