Subject: Re: DMMO - Addition of FPs in Bersted and Felpham Parishes (CC803.15695)

Dear Ami

yes, they can be counted as three paths as indicated on the plan, ^① the first path starts at Brooks Lane crossing to the rife, the path crosses the bridge and continues across two fields to Downview school, ^② the second path cuts across the field adjacent to the rife diagonally to the Leisure Centre and finally the ^③ circular path around the main field adjacent to the rife.

Attached is a scan of the receipts of recorded postings of notices sent out which was on the 13 July 2019.

I hope now we have all the paperwork in order.

Best wishes

David
