

NATIONAL AND REGIONAL UNEMPLOYMENT STATISTICS - 2011														
Source : Office for National Statistics(ONS)/Nomis														
NB: The South East region is the Government Office Region														
Note : Unemployment rates used in this table are official rates published by ONS.														
They are calculated by expressing the number of unemployed as a percentage of resident working age population (females 16 - 59, males 16 - 64 until June 2010 and 16 - 64 for both males and females from July 2010)
