7. **New Place Road, Pulborough – Traffic Regulation Order**

Report by Director of Communities and Infrastructure – [attached](#)

Vehicles are frequently parked on New Place Road in close proximity to its junction with the A29 London Road that prohibits the safe turning of traffic off and on to the A29 London Road at this point. This junction is on a bus route requiring access at all times. Upon consulting with the public two letters of objection have been received. The Committee are therefore asked to, having considered that the resulting benefits to the community outweigh the concerns raised, authorise the Head of Legal and Democratic Services to make the Traffic Regulation Order as advertised.

The [attached](#) report by the Head of Legal and Democratic Services summarises Community Initiative Funding applications, received since the last meeting. The Committee is invited to consider the applications and allocate funding if appropriate.

To invite questions from the public present at the meeting on subjects other than those on the agenda. The Committee would encourage members of the public with more complex issues to submit their question before the meeting to allow a substantive answer to be given.
