

Coding Framework

Positive impact

1. Scheme will improve safety for drivers and other vulnerable road users (e.g. pedestrians/ cyclists/ children/ elderly)/ highlighting existing issues with speeding and rat-running.
2. Support for 20 mph near schools/ hospitals or other specific locations (e.g. care homes)

Negative impact

3. Environmental impact: Pollution/visual impact of signage
4. Negative impact on journeys: Congestion/ lengthened journey times/ Impact on local economy/ business/ commerce
5. Difficult to drive at 20 mph/ frustration/ driver behaviour will worsen e.g. more aggression/ Will result in more accidents/ more rat-running
6. Negative impact on bus service

Limited impact

7. Doubts over need for scheme and effectiveness of scheme in achieving its objectives

Issues with the scheme

8. Too costly/ better alternatives
9. Opposition to a blanket 20mph limit.
10. Issues with particular roads included or excluded/ would like more (or different) roads included

Other

11. Other issues e.g. HGV's/Parking/Cyclists/Pedestrians/Potholes, or would like other traffic calming schemes like speed humps or cameras.
12. General agreement or disagreement/all other comments.
