**AN INTRODUCTION TO
GATWICKCONNECTS**

Gatcom January 2016

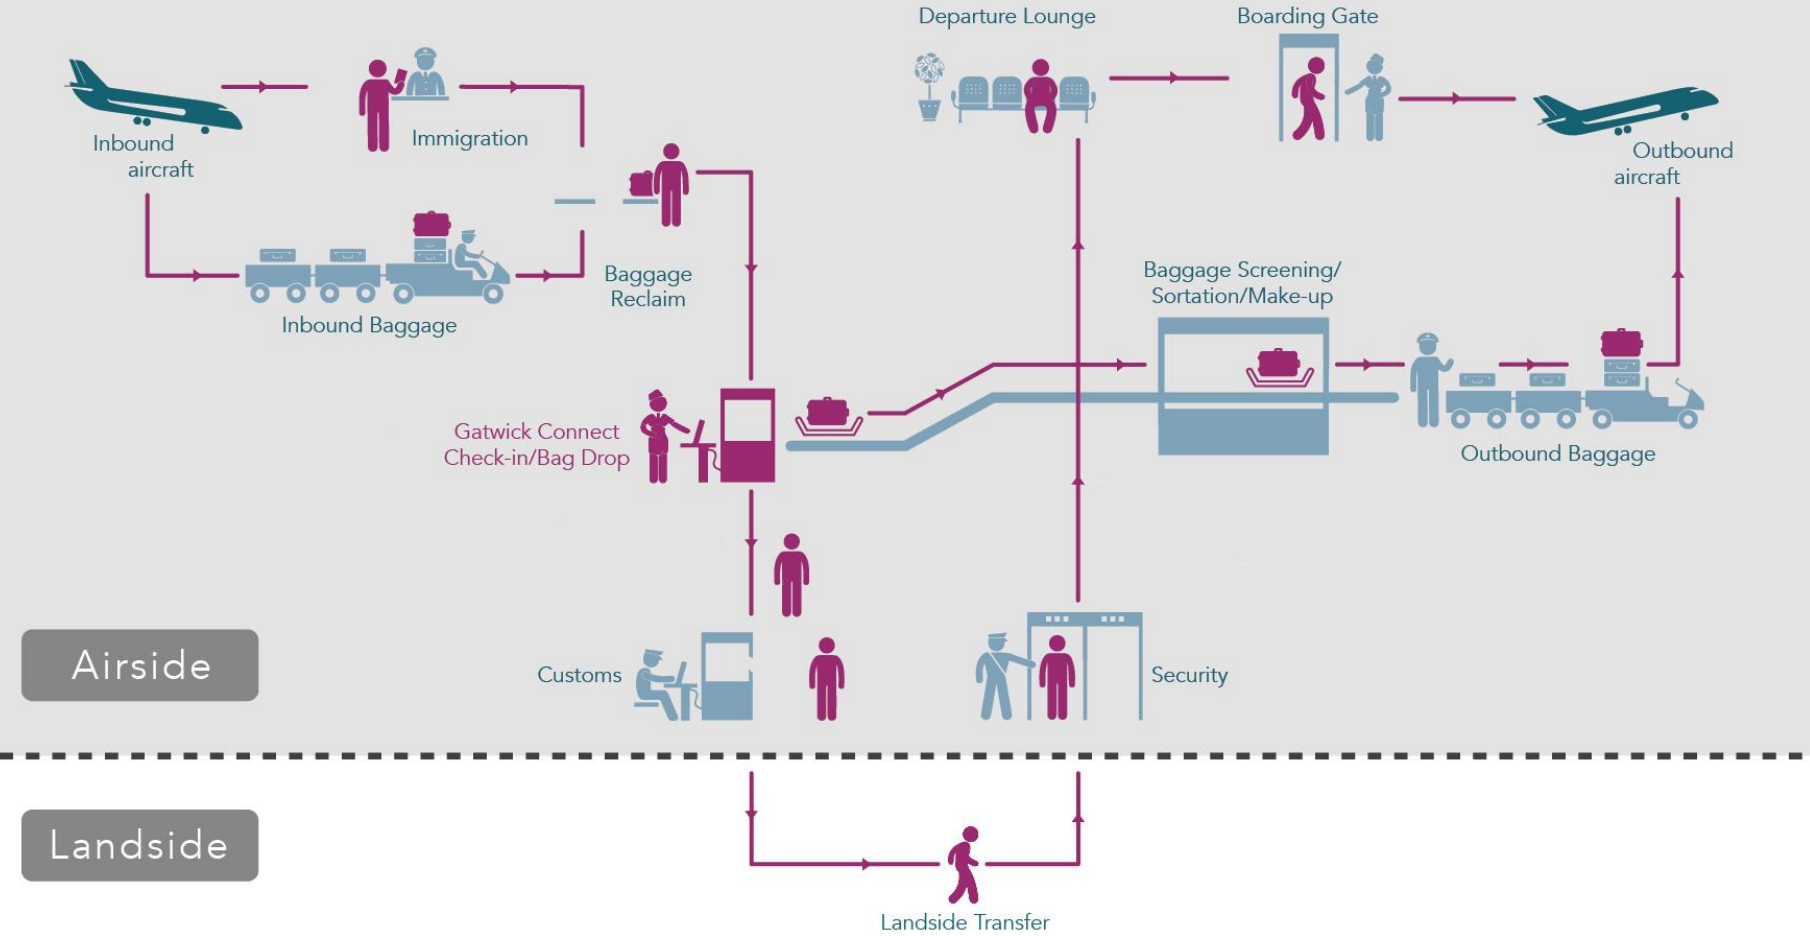

GATWICKCONNECTS

- A free service for passengers transiting through the airport and self-connecting onto another flight
- Managing flight connections on behalf of the passenger – issuing of boarding passes and checking in of luggage
- Passengers bypass check-in and head straight through security to catch their onward flight
- Applies to all pax transferring between flights on airlines within the same terminal or between terminals on non-interline bookings

PASSENGER TESTIMONIALS

“Wonderful idea, saved us lots of hassle. Would convince us to use Gatwick again!”

“Excellent and convenient service when airlines do not offer it themselves”

“Staff could not have been more helpful - the ease made our connection much less stressful and much more comfortable!”

"Terrific service, minimises hassle of transfer, will definitely recommend to friends“

“We have been treated like VIPs today. Excellent”

WHAT ARE THE BENEFITS?

- Traveller's choice – flexibility, airline options, speed/efficiency
- Passenger experience: Saves time, worry, hassle
- Airline benefits: works with LCC business models: Allows FSCs to benefit from increased connectivity
- Free for airlines. Free for passengers
- Win, Win, Win
