The proposed decision by the Cabinet Member for Finance and Resources on the review of fees and charges for 2018/19 ([FR18\(17/18\)](#) refers), was called-in for scrutiny by the Performance and Finance Select Committee. The call-in was heard at a meeting of the Committee held on 21 March 2018. The members in attendance at the meeting were Mr Montyn (Chairman), Mr Boram, Mr Bradley, Mr Cloake, Mr Crow, Mr Elkins (Vice-Chairman), Mr Lea, Mrs Kitchen, Mr Smytherman, Mr Turner, Mr Waight and Dr Walsh. The Committee made the following recommendation:

'The Committee supported the amended decision report as tabled on the day, with the recommendation that the proposed raise to parking charges in the borough of Worthing are looked at again in more depth to ensure that a proportionate and appropriate raise is made.'

The amended decision report presented to the Committee included an amended recommendation (2) which provides that any deviation from the agreed fees and charges is limited to a small number of the fees and charges and that consultation on amendments will be undertaken with the Director of Finance, Performance and Procurement and the relevant Cabinet Member.

In considering the issues raised through the Committee and the debate that took place, the Committee also recommended that further review needs to be undertaken in relation to specific car parking charges before any changes are made to the increase in relation to those. A separate decision by the Cabinet Member for Highways and Infrastructure will be taken shortly once a review of all car parking charges is complete.

A [revised decision](#) has therefore been taken by the Cabinet Member for Finance and Resources which came into effect on 29 March 2018.
