## Other Matters

<b>All</b>	2	<b><u><a href="#">Forward Plan – June to September 2015</a></u></b>	 <b>Matt Hall</b> (033022 22539)
------------	---	---	---

The Forward Plan contains details of all key decisions to be taken by the County Council, the Cabinet, Cabinet Members, County Local Committees and officers in the following four months. Key decisions are those which involve expenditure or savings of £500,000 or more or which will have a significant effect on communities in two or more electoral divisions. Amended versions of the Forward Plan of Key Decisions, for June to September 2015, have been published recently in order to accommodate the following decisions. There is a legal requirement to give 28 days' notice of a key decision and therefore dates after which the decisions can be considered are shown against each item.

### Highways and Transport portfolio

- The County Council's response to the Airports Commission's Consultation on Air Quality Assessment - it has not been possible to include notice of this decision in the Forward plan for a period of 28 days and therefore the decision will be processed under Regulation 11 as urgent action.
- Review of fees and charges for Disclosure and Barring Service checks carried out on behalf of external contractor staff working on Council-let transport routes (from 10 June 2015).

### Leader's portfolio

- Procurement on behalf of the Your Energy Sussex Partnership (previously entered as a decision to be taken by the Cabinet Member for Residents' Services) (from 12 June 2015).
- Procurement of licenced energy services for the provision of a set of low cost/high quality energy tariffs to Sussex residents (from 12 June 2015).

## Proposals for Traffic Regulation Orders and Traffic Management Matters

### TRAFFIC REGULATION ORDERS

Location	Proposal	County Local Committee/ Officer	Provisional Decision Method	Local Member(s)
<a href="#">Junction Road, Burgess Hill</a>	Scheme both north and south of the level crossing to ease congestion particularly at peak times and to address access issues to a new shop adjacent to the crossing.	South Mid Sussex  Neil Smith 033022 25579	Delegated	Mrs Jones
<a href="#">Penfold Road, Worthing</a>	To formalise the School Keep Clear marking in Penfold Road with a TRO that will apply 8am to 6pm Monday to Saturday. The purpose of these controls is to sterilise a length of road at the junction from parked vehicles to secure the safety of pedestrians accessing the school and will allow enforcement action to be taken against drivers who park dangerously and inconsiderately. This approach supports existing work delivered through the Safer Routes to School initiative, Road Safety Education and School Travel Planning as part of the County Council's approach to behavioural change. The proposal also supports a sizeable expansion of the school and the expressed needs and wishes of the school.	Worthing  Ian Patrick 333022 26715	Delegated	Mr Turner
