### Corporate Relations

<b>All</b>	1	<b>National Customer Service Week – Putting the Customer at the heart of everything we do</b>	 <b>Helen Card</b> (033022 25373)
------------	---	---	--

The County Council is committed to putting the Customer at the heart of everything it does and this is prominent in its values and new Customer Promise launched a few weeks ago. As part of this commitment the County Council took part in National Customer Service Week (5 to 9 October) to celebrate excellent customer service in the organisation and provide an opportunity for its staff to 'think customer' during the week, and showcase the improvements made to customer journeys, for example the enhanced renewal blue badge process. The week saw lots of activity taking place across the County Council's hub buildings and throughout the Council including:

- 325 internal 'thank you' cards from colleagues to their colleagues, for excellent customer service
- Five Road Shows at the Council's hub buildings, showcasing the work of the Customer Services department
- Over 25 staff signed up to be customer ambassadors from across the organisation
- Directors went 'back to the floor', fielding calls in the Highways Hub and joining in Library activities

For any questions, please contact [customer.service@westsussex.gov.uk](mailto:customer.service@westsussex.gov.uk).

## Highways and Transport

<b>All</b>	2	<a href="#">Traffic Regulation Order Task and Finish</a> <b>Group: Recommendations</b>	<b>Monique Smart</b> (033022 22540)
------------	---	---	--

The Executive Task and Finish Group to consider a new process for delivering Traffic Regulation Orders (TROs) has submitted its recommendations to the Cabinet Member for Highways and Transport. The Cabinet Member will now consider the recommendations before making a decision on a future process. The Environmental and Community Services Select Committee is expected to preview the Cabinet Member decision in December 2015 or January 2016. It is hoped that each County Local Committee will have a full report and be able to select new TRO priorities from March 2016.
