county to discover the best of what they have to offer. Marking the fifth year of the national campaign, [National Care Home Open Day](#) was set up as a way of creating a lasting connection between care home residents and local communities. The day is a cause to celebrate the positive impact of care homes in our local communities with events and activities lined up for public participation.

This year's 'Friendship' theme builds upon the campaign's aim to develop lasting relationships and bridge the generational gap between young and old. It is also a great way for those interested in working in care to visit their local home to find out about what it would be like to work in the industry. Members are encouraged to visit their local participating care home and to share a photo of your visit with us on the day, tag @wscnews and use the hashtag #CHOD17. Find out which care homes are taking part near you, visit www.westsussex.gov.uk/nchod.

All	2	New video launched to show the truth about working in care	Kelsey Stubbs (033022 25876)
------------	---	---	--

The County Council is leading a care worker recruitment and retention campaign. Care workers, healthcare assistants, home care workers and care home managers working in West Sussex are tackling common myths in a new video about working in the care industry. The video is being shown on social media and at recruitment events around the county in a bid to attract more people to join them and work in care.

Please watch the video [here](#) and share it where you can. The next phase of the campaign will be launching in Crawley on Monday, 5 June 2017 and will run for six weeks, then Selsey (September/October), Horsham (November/December) and finally East Grinstead (January/February). Find out more about the campaign and recruitment events by visiting www.westsussex.gov.uk/jobsincare.
