the South Downs National Park and two designated AONBs. The County Council's response suggests that NPAs and AONBs should have a duty to support and enable sustainable development. Freeing local councillors appointed to NPA boards to make decisions based on what they believe is in the best interests of their communities would make a positive contribution towards this goal.

This is a countywide event promoting activities, services and products provided for adults and older people by local voluntary and public sector organisations. The purpose of the event is to create an opportunity for voluntary organisations to promote services to local professional teams including County Council staff, district and health partners who can gather information about current services to support their casework. It is also an opportunity to share information with the general public and network with other voluntary organisations. Drop in anytime on **Thursday, 14 March from 10.30 a.m. to 1.00 p.m. in the Park Suite and Main Conference Hall, County Hall North (Parkside), Horsham, RH12 1XH.**

This is the largest annual event of its kind and is in its fifth year due to popular demand. Our Cabinet Member for Stronger, Safer Communities, Debbie Kennard, will be opening the event where there will be 65 stalls made up of voluntary sector providers, council services and multi-disciplinary teams. The event is open to the public, so do extend the invitation to members of your community that would benefit from attending and connecting with different organisations and services.

Some of the stallholders include 4sight, Action for Deafness, Age UK West Sussex, local health teams, wellbeing hubs, dementia action alliances, men's sheds, Carers Support West Sussex, Coastal West Sussex MIND, Headway, My Sister's House, RVS, Saxon Weald, West Sussex Telecare and many, many more. Visitors can also participate in a range of activities including a free wellbeing MOT to check a range of lifestyle factors and receive tailored advice on how small changes can benefit wellbeing, audiology checks, mobility scooter safety advice, a Connect to Support help-point, and informal networking over a free cup of tea or coffee in the café area.
