

West Sussex County Council Petitions Scheme - Paper Petitions – Feb 17 to current date

Petition Statement	Number of Signatures	Date received by the County Council	Date acknowledged by the County Council	Current Status
<p>A petition from the undersigned residents regarding the condition of the road and pavement surfaces. Elmstead Park was completed in 1978 which makes it long overdue for a complete releveling of the pavements and roads [Emstead Park Road and Elmstead Gardens, West Wittering].</p>	<p>35</p>	<p>3 August 2018</p>	<p>6 August 2018</p>	<p>Response sent from Mrs Louise Goldsmith, Leader of the Council to the lead petitioner, dated 08.08.18.</p>
<p>We [the undersigned] are prepared to support a campaign to reduce the speed limit in Warninglid Lane and make the road safer for residents. [The background to the petition explains that: traffic volume and speed has significantly increased since the new junction with the A23 was created. Concerns have been raised about the classification of Warninglid Lane (Lower Beeding parish and Slaugham parish), and incorrect speed limits has been noted by the Highways team, and that Highways statistics do not reflect the increase in accidents].</p>	<p>80 (submitted) 72 (verified)</p>	<p>4 May 2018</p>	<p>4 May 2018</p>	<p>Acknowledgement sent to Rt Hon. Sir Nicolas Soames, MP and to lead petitioner. A response was sent by the Highways team to the lead petitioner on 13 June 2018.</p>

<p>Livingstone Road, Tilgate, Crawley has not been resurfaced in 60 years of use, and ongoing pothole repairs over the years are not lasting. We the residents feel the road is now beyond economical repair, also dangerous for cyclists and vehicle users. We, the undersigned, are concerned residents who urge West Sussex County Council to resurface Livingtone Road</p>	<p>36 (submitted) 35 (verified)</p>	<p>1 May 2018</p>	<p>1 May 2018</p>	<p>Response from Highways team sent to lead petitioner on 8 May 2018.</p>

Petition Statement	Number of Signatures	Date received by the County Council	Date acknowledged by the County Council	Current Status
<p>We petition the Secretary of State for Transport, Highways England, Nick Herbert MP, West Sussex County Council, Arun District Council, and the South Downs National Park Authority, to:</p> <p>1. REJECT routes for the Arundel bypass through Binsted village and its countryside [5A].</p> <p>2. RECOMMEND that other options, less damaging to countryside and villages, should be considered, eg a shorter bypass [3,1]</p> <p>Reasons: The historic village of Binsted is set in wooded countryside in the parish of Walberton, West Sussex. Partly within the National Park, it is a haven for wildlife, with an active community and rural businesses. Many visitors value Binsted for quiet recreation. The Binsted option would sever Binsted's community, and destroy its beauty and tranquillity. It would also damage the historic village and landscape of Tortington near Arundel.</p>	<p>2152 (submitted)</p> <p>1493 (verified)</p>	<p>18 September 2017</p>	<p>18 September 2017</p>	<p>An offer to the lead petitioner to speak at Environmental and Community Services Select Committee (ECSSC) on 28 September was accepted. The minutes of that meeting can be read here. The response by Cabinet Member For Highways and Infrastructure to the Committee's recommendations can be accessed via the Agenda for the 30 November Committee meeting here.</p>
