

Calling all parents and carers, West Sussex County Council needs your feedback!

West Sussex County Council are looking for views from all parents and carers of children aged 0-14 years (and up to 18 for children with SEND) about how they use childcare, how this has changed as a result of the COVID-19 pandemic, and how this may continue to change in the future. The survey is running 1 September until 30 September. The questions and length of the survey will vary depending on the age of your child/children but should take no more than 10 minutes to complete. Importantly your feedback will help to shape improvements to the future of childcare delivery in West Sussex and support the availability of childcare provision to meet continuing demand.

You can access the [survey here](#). Thank you in advance for your help!
