KJ

Dear Chris,

With my apologies to you and the Inspector for this coming so late in the day I can confirm that we have settled and signed agreement with WSCC in respect of the objections of HCC 2011 Limited, Ricotte Limited and Mrs Ruth Andrew. We are now in a position to formally withdraw the objections against both the CPO and Side Order and are confirming to PINS the position at the same time as we are communicating with you.

If you require anything further please do not hesitate to let me know.

Kind regards
Karen.

Karen Jones

IMPORTANT SECURITY ALERT

This alert relates to scams, fraud and cyber-threats, which are becoming increasingly common. We have not changed our bank account for many years, and we are not intending to do so. In any event, we will never notify you of a change in our firm's bank details by email or text message. If you receive any communication purporting to come from anyone at Blandy & Blandy LLP asking for funds to be transferred to another account, please contact us at once (using a telephone number from our website, not from the communication you have received) and on no account send the funds requested.

We will not accept liability if you transfer the money to an incorrect bank account in these or similar circumstances.

This email, including any attachments, is confidential and may be legally privileged or otherwise protected from disclosure. It is intended solely for the person to whom it is addressed. Access and/or use by others is unauthorised and may be unlawful. If you receive this message in error please notify the sender and delete/destroy all copies of the message and any attachments immediately. Do not copy or otherwise disclose the contents to any other person.

We believe, but do not warrant, that this e-mail, including any attachments, is virus free. You should take full responsibility for virus checking. Blandy & Blandy LLP reserves the right to monitor all email communications (whether related to the business of Blandy & Blandy LLP or not) through its internal or external networks.
