

Wartime West Sussex 1939 - 1945  
ON THE HOME FRONT - FUNDRAISING AND COLLECTING

Help the war effort - drink less tea

Official notice which appeared in local newspapers, June 1940

**HELP WIN THE WAR ON THE KITCHEN FRONT**

**MINISTRY OF FOOD**

June, 1940

BULLETIN No. 3

We should use less tea. If each of us gives up one teaspoonful in every four, we shall save shipping space for 50,000 tons of war material in a year. This is a war contribution which one and all should make.

THE MINISTER OF FOOD

**ABOVE ALL AVOID WASTE AND SO SAVE SHIPPING**
