| |
|--|

3. What event do you think will follow the parade in Source 4? How do you know?
What animals can you spot?

4. What sport do you think the men in Source 6 play? Compare their clothes with those used today.

5. Sources 7 and 8 show two different sports that were played during the Victorian period. Can you identify what they are by looking at the clues in each picture?

Source 7

Source 8

6. Look at Source 9, a typed extract copied from Long's Directory of Worthing, 1892. Make a list of the sports mentioned in this document.

7. Music was a popular pastime in the Victorian period as it is today. Victorians were able to play music at home, attend musical events and listen to bands. Look at the 1881 census table (Source 10) and list the jobs connected with music. Can you describe what the different jobs were? You can create your own database.

8. Study Sources 11 and 12 on sports competitions organised for the celebrations of Victoria's Diamond Jubilee and list the different activities mentioned. Describe how you think each of the games were played. What were the prizes?
