MID-SUSSEX FOOTBALL AND THE EUROPEAN CRISIS.

IMPORTANT DECISION BY THE LEAGUE.

“...To consider whether the present state of the nation’s affairs does affect or should be made to affect Mid-Sussex League Football. A special general meeting of the Mid-Sussex Football League was held at the Ruton Hotel, Haywards Heath, on Friday evening. Mr. J. W. Lott [of Cowley] occupied the chair, supported by Mr. C. C. Armstrong (Hon. Secretary) and a large number of Club representatives.

By proposed the Hon. Secretary had previously put the matter before the Clubs from three points of view:—(1) Considering the great strain by the authorities on men in every sphere of life, it is possible to raise teams during the coming season; (2) If it is possible, will not the large amount of money subscribed and being subscribed by the public for national use probably come much less financial support to football? (3) In such cases, will clubs be financially able to meet their match obligations?

Mr. Armstrong stated that he had written to the Railway Company asking whether any cheap tickets would be available for fixtures this season, and the reply said they hoped nothing would prevent them issuing the same.

The Clubs asked for views of the different Clubs on the matter, and they were presented.

Mr. R. J. R. Smith (Ruton Hill) said he had a proposition to bring forward from his Club, that the League should start down until Christmas, at any rate, that a meeting be held in December, and that, if it could be held in December, and that, if it could be held in December, if the Clubs would play 26 teams in a pool, the fixtures played off by the agency of the two play-off losses.

It was stated that that was also the feeling of the Cowley Clubs.

Hassocks, Chiddingly, Heathfield, and associated clubs were to play 26 teams in a pool, at least, until Christmas. Other clubs were to play 18 teams in a pool.

Mr. Armstrong had written to the Secretary of the South Coast County Football Association on the matter, and the reply stated that he would have to inform the FA. The purpose of the meeting of the League was to meet the Q.A. and to decide what action they would take in the best interests of the game.

Mr. Armstrong had also arranged to form a provisional fixture list for the season.
