Salute the soldier - donate to National Savings

Official notice issued by the National Savings Committee which appeared in local newspapers in March 1944

The Salt of the Earth

They came from the North lands,
They came from the South lands,
They came from the mountains,
They came from the fens,
They drilled hard with rifle,
They drilled with their bayonets,
They practised with mortars,
They practised with Stens.

Now they're fighting our battles,
And in spirit we're with them.
They're fighting our battles,
And proving their worth.
They won't *all* get medals
They won't *all* get mention,
But they're *all* British soldiers,
The salt of the earth.

SALUTE THE SOLDIER

Let us salute him, the man who fights
our battles for us. Let us Salute the Soldier
by going without just a little more, by giving
up just a little more, and by saving even more.
