

Wartime West Sussex 1939 - 1945:
ON THE HOME FRONT - FUNDRAISING AND COLLECTING

Shoreham Herald, August 16th 1940

**SHOREHAM'S
"SPITFIRE" FUND**

"Penny on the red" is a new levy at a Shoreham club. It means that every time the air raid siren goes everyone in the club must put a penny in a box for Shoreham's Spitfire Fund.

Some generous donations, handed to Mr S. J. Williams, have opened the fund. They include a cheque for £5, two of a guinea, one of a pound and one of 10s.

About 40 collecting boxes have been placed in clubs, public houses and shops, and it is hoped that a large total will be reached by early in September, when the fund will close.
