**West Sussex Joint Minerals Local Plan: Proposed Modifications**

Following the Examination in Public of the West Sussex Joint Minerals Local Plan held in September 2017, West Sussex County Council and the South Downs National Park Authority has published its Schedule of Modifications for formal representations. Responses received will be sent to the Inspector for consideration before his final report is produced, determining whether or not the plan is 'sound' and legally compliant.

**Document Title:** West Sussex Joint Minerals Local Plan

Once adopted, the Joint Minerals Local Plan will replace the saved policies in the adopted West Sussex Minerals Local Plan 2003.
