Opportunity for All comments

Group 1

- Balance state and private
- More input from school kids
- More focus on individual skills
- More businesses with apprenticeship opportunities
- More opportunities for education
- Free buses

- More affordable entertainment

Group 2

- Citizens card is a very good idea
- More childcare so people can work more freely and not be on benefits
- Needs to be more pressure on people to get a job instead of living on benefits. As well as this there needs to be more job opportunities created
- Need to attract more businesses
- To attract people to the area to bring more companies by lowering house prices
- Create apprenticeships for people who don't want to go to the college and can learn on the job
- Lower the cost of entertainment/and the cost of public transport
- Later travel at night and early in the morning
- Taxis are too expensive
- By lowering bus fares less people will be driving. This will lower congestion and lower the risk of an accident on the road in the city
- Make more entertainment facility for youngsters
- Buses need to be better quality for elderly or disabled people

Group 3

- Cheaper entertainment
- More variety in the entertainment
- More jobs available to young people
- Apprenticeships
- More business for more business opportunities
- More public transport – cheaper

- Better quality education
- More choices
- More family activities
- More child care
- More courses for young parents
- More activities to keep people out of trouble
- Better relationships with police
- More things that are interesting for young people
- More money to be put into youth clubs for equipment, buildings, furniture etc.

Group 4

- Cheaper fuel
- Cheaper travel to further education
- More money (don't be stingy)
- Later playgroups
- County pays for the childcare and so parents can afford daycare whilst they work
- More veggie shops
- More and cheaper places of entertainment for youths
- Ice rink in Chichester
- Free travel for young people in college/school
- More jobs for young people
- Help to find jobs for people who left school
- More education opportunities

A Better Place to Live comments

Group 1

- More bins
- More police around Whyke
- Parklands – community spirit
- More lighting (streets, cycle paths, canal)
- Cheaper buses
- More venues
- Youth groups open in holiday

Group 2

- More street cleaners or people picking up litter around town
- First aid
- More respect for young people/more info on rights
- More tidal supports around the coastal areas
- Introduce litter picking fines for people caught fly tipping
- Parks i.e. Priory Park needs to be open later
- Gyms and swimming/sports facilities need to be cheaper for young people who want to be active
