

COUNTRYSIDE ACCESS FORUM FOR WEST SUSSEX

MEETING 24 JANUARY 2007

PROJECT BRIEF EXAMPLES

1. Off road cycling best practice - advice to cyclists

- Research what advice is already available or has previously been issued
- Consult CA, CTC, DEFRA, National Parks Assoc., etc
- Identify main problems to solve
- Draft outline text
- Consult potential partners - e.g. SDJC, WSCC, DCs
- How could a leaflet be disseminated? Consult retail outlets.
- Likely cost and funding
- Report back

2. Countryside Access for Disabled Visitors/ People with mobility Problems

- Identify client base
- What information is already available?
- Consult Social Services, ICIS, Voluntary Associations, etc
- Identify problems and needs
- Review WSCC policy on gates and stiles
- Visit locations
- Report back

3. Guided Walks Programme in West Sussex

- Review total programme - WSCC, SDJC, SWT, RA, DCs, etc
- Identify objectives: wildlife, landscape, exercise, health, etc
- Review evenness of coverage
- How well are new Access Areas covered?
- Attendance
- Conclusions and recommendations
