**Walking in West Sussex – Draft Brief for Working Group**

1. To review and quantify the programme of guided walks in West Sussex by the various agencies, including West Sussex County Council, South Downs Joint Committee, Ramblers Association, Sussex wildlife Trust and the district councils.
2. To identify objectives – landscape, wildlife, healthy exercise, sponsorship etc.
3. To identify any gaps in the geographical coverage.
4. To review any feedback from participants and records of numbers.
5. To investigate if the programmes can or should be themed year by year e.g. to make people more aware of open Access Areas.
6. To identify if, within the Forum' remit, there is a need to attract members of other age/economic groups.
7. To bring conclusions and recommendations back to the Forum – aim for Autumn 2008.
